## Pcr workshop

It is our great pleasure to announce the workshop on Molecular biology and Bioinformatics (From PCR to DNA Sequence Analysis,)

The workshop will be held on May 10-11, 2016 in Duhok Research Center of Collage of veterinary Medicine.

The workshop will focus on Learn hands-on Molecular techniques

Sequencing Applications and Data Analysis by using DNA star / Allergen (SeqMan, / MigAligne /, Seqbulder /primer select

Established phylogenetic tree, Sequence distance, BLAST in NCBI, Cluster W

Workshop will be led by the DRC staff

For the registration complete the Form:

[https://docs.google.com/a/uod.ac/forms/d/1uZnQ4o9KI\\_nAvMSfaboEJzmKT1VRrwPHcpWtDT4yibg/viewform](https://docs.google.com/a/uod.ac/forms/d/1uZnQ4o9KI_nAvMSfaboEJzmKT1VRrwPHcpWtDT4yibg/viewform)

Dead line: 3 May 2016

Participation Fee: 50\$

For more information contact with :

Dr.jassim M Abdo

Director of Duhok Research Center

Email: [dr.jassim@uod.ac](mailto:dr.jassim@uod.ac)

Kindest regards,

Sarkaft G Omer

Biomedical science MSc MIRM/UK
