Notification of Performance – Explanatory Notes

Evidence of Achievement

Successful completion of all programme requirements is recognised by the award of a qualification certificate, together with the Notification of Performance, which lists all units successfully completed. For the Qualifications and Credit Framework (QCF) and the Scottish Credit and Qualifications Framework (SCQF) the credit value and level for each unit is shown.

Unit Grade

Each successfully completed unit for BTEC qualifications is normally graded Pass, Merit or Distinction. Where the threshold for a Pass in a unit is not achieved this is recorded as Unclassified. Details of Pearson's qualifications and grading can be accessed here: www.edexcel.com/quals.

Regulators' Unit Code

A unit reference code is allocated to a unit where the specification has been accredited by the regulators of external qualifications. This code is printed on the certificate against the unit title where applicable. For qualifications accredited in England, Wales and Northern Ireland, please refer to The Register of Regulated Qualifications (<http://register.ofqual.gov.uk>) and for qualifications accredited in Scotland, please go to www.sqa.org.uk for information on accredited qualifications.
